# TULABUT, LIAM LYNX Y.

I am a dedicated Network Administration graduate with a strong foundation in network design, troubleshooting, and security. Eager to apply my technical skills and theoretical knowledge in a real-world setting, I am seeking an opportunity where I can contribute to network support, system administration, and IT infrastructure maintenance. Known for my analytical mindset and collaborative approach, I am committed to continuous learning and gaining hands-on experience to further enhance my expertise in network administration and IT support.

## WORK EXPERIENCES

### IT Support Intern

486 Hours

Clark Outsourcing
